## **Bhaktapur & Nagarkot sunset tour - Itinerary**

### **Day 1: Start your day early and head to Bhaktapur**

1. UNESCO World Heritage site is located about 13 kilometers east of Kathmandu.
2. Explore the city's ancient temples, palaces, and courtyards, including the famous Nyatapola Temple, Bhairavnath Temple, and Dattatreya Square.
3. Visit the Pottery Square to see the traditional pottery-making techniques of the Newari people.
4. Enjoy a traditional Newari lunch at one of the local restaurants.
5. In the late afternoon, drive up to Nagarkot, a popular hill station located about 32 kilometers east of Kathmandu.
6. Check into your hotel and enjoy the scenic views of the surrounding Himalayan mountains.
7. In the evening, head to a viewpoint to watch the sunset over the Himalayas.
8. Return to your hotel for dinner and an overnight stay.

### **Day 2: Wake up early to catch the sunrise over the Himalayas.**

After breakfast, you can either explore Nagarkot further by hiking or visiting nearby attractions like the Changu Narayan Temple or drive back to Kathmandu to continue your travels.

## **Bhaktapur & Nagarkot sunset tour - FAQs**

## **1. What are the must visit places in Bhaktapur?**

Bhaktapur has several tourist attractions, including Bhaktapur Durbar square, 55 windows palace, Taumadhi Square, Nyatapola Temple, Changunarayan temple and so on.

## **2. Why Nagarkot Hill Station?**

Nagarkot Hill Station provides you the most exquisite panoramic views of the mountains like Mount Annapurna, Ganesh Himal, and Mount Everest. Imagine going out on a hike to the top of Nagarkot and seeing the most pleasant sight of the mountains, doesn't that feel great?

## **3. What is the best time to visit Nagarkot?**

The best time to go Nagarkot is during spring and pre-winter time. The spring months including March, April, and May are the best time to visit Nagarkot hill station. The clear views of the sky embarking the alluring sight of the mountains make your trip even more memorable.
